

California Association Medical Staff Services

TOP 10 REASONS TO BE A CAMSS MEMBER

- Number 10: Mentoring** – New to the Medical Staff Profession? Take advantage of the CAMSS Mentoring Program and connect with an experienced MSSP in your area who can help you navigate MSSP pitfalls.
- Number 9: Access** – Find new employment opportunities or advertise one through “Career Opportunities” on the CAMSS website.
- Number 8: Information** – Keep up with the latest issues and industry information that affects MSSPs through our “What’s New” section on the CAMSS website and E-Blasts to our members. Utilize the tools CAMSS provides for educating your Physician and Administrative Leadership via our downloadable brochures and presentations.
- Number 7: Recognition** – CAMSS offers Professional Development courses for Credentialing Specialists and Medical Service Management during our Annual Forum. These courses provide education that helps you receive industry-wide recognition by achieving national certification as a CPCS or CPMSM. These credentials demonstrate to your Physician and Administrative leadership your expertise and competence to perform in today’s complex medical credentialing environment.
- Number 6: Leadership Opportunities** – Gain personal and professional growth, as well as a broader view of the depth and vision for the organization, by taking on a leadership role. If you are not ready to jump into a leadership role there are many opportunities that also exist to volunteer for committees, task forces and special projects. One of the biggest assets we have as an organization is the vision, values and dedication of CAMSS volunteers and leaders.
- Number 5: Marketing Materials** – Visit the CAMSS website for access to materials that promote our Association, our chapters and our profession, as well as National Medical Staff Services Awareness week, the first week of November, and educate others about the value and importance of MSSPs.
- Number 4: Shared Resources** – Don’t recreate the wheel! Share ideas/documents with other MSSPs on the Members Only Discussion Board relating to standards, regulations, and other newsworthy items, including sample policies, forms and templates.
- Number 3: Education** – Gain the knowledge you need to do your job through opportunities like the CAMSS Annual Forum. All CAMSS members receive a discount on CAMSS educational programs. CAMSS also offers the Mindel Spiegel Scholarship (\$500) to assist with educational funding to our members.
- Number 2: Networking** – Connect with other MSSPs who can help you answer the questions you face on the job. Visit the CAMSS discussion board and post your questions online or look up contact information in the on-line membership directory for CAMSS members.
